

Our Shipping Agency has a ship chandler department at your disposal for all vessels.

We are able to arrange at preferred prices the supply of any product which you are in need such as:

- Fresh tropical fruits and vegetables
- Dairy products
- Fresh local fish
- Frozen foods
- Long life flowers
- Fine Madeira Wines

We can also receive and deliver specialized missing parts as well as procure standard equipment, electrical appliances and mechanical parts locally.

Goods and equipment can be delivered to vessels docked as well as OPL.

The price list of services and items are always available and updated and can be requested 24 hours a day.
